Walden Federal Sponsors Monroe-Woodbury Student Volunteer of the Month Program

February 19, 2007 – Walden Federal is sponsoring a new program, the Monroe-Woodbury Student Volunteer of the Month. Walden Federal will work with the Monroe-Woodbury Central School District (MWCSD) to identify and honor one student each month who has significantly contributed through community service.

Each month, Walden Federal will make an announcement in the Monroe Photo News outlining the contribution of the student of the month and will award the student with a \$100 savings bond as a thank you.

“We are honored to sponsor this program”, stated Thomas Gibney, President. “Walden Federal has grown over the years partially as a result of our emphasis on serving the community. We are delighted to celebrate the young people in our community who continue the time-honored commitment to service.”

The program will begin in March and will continue each month. At the end of the year, the bank plans to publish a Community Worx newsletter, highlighting all the Student Volunteers and their efforts.

“So often we see stories in the press about all the things that our young people do that are wrong,” stated Joseph DiLorenzo, Superintendent of the MWCSD. “This program is a wonderful opportunity for us to demonstrate what our students are doing right.”

Walden Federal maintains five full-service branches, including two in the Monroe Woodbury community inside the Wal-Mart Super Center on Larkin Dr and inside the ShopRite on 17M.
